DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This log house is located on the east side of a private lane extending in a northerly direction from Toms Road between Funkstown and Boonsboro in Washington County, Maryland. It faces west.

It is a two story, three bay log house resting on low fieldstone foundations. The walls are sheathed with asbestos shingle siding. It has a modern addition on its north end wall.

Doors and windows are placed at irregular intervals in the walls. They are treated with Victorian period architraves with pointed top pieces, and have two over two pane sashes. The main entrance is centered in the front elevation and is trimmed similarly to the doors. A shed roofed porch shelters the door and the windows.

The roof is covered with corrugated sheet metal and has a centrally located small brick chimney.

The house appears to be in good condition.
